Aspiring Artificial Intelligence and Data Science student with a strong foundation in Python, C++, and SQL, complemented by knowledge of OOP and Data Structures. Eager to apply theoretical knowledge and hands-on skills to a challenging internship role in machine learning, data analytics, or software development.

To contribute to E-Cell SVCE by combining my technical, creative, and collaborative skills. I aim to learn from real-world entrepreneurial exposure, work with like-minded peers, and create meaningful impact through innovation, design, and teamwork.

Qualifications

Bachelor of Technology in Artificial Intelligence and Data Science
Sri Venkateswara College of Engineering (SVCE), Sriperumbudur, TN
09/2024- 05/2028

Certifications

Outskill- GenerativeAI MasterMind (Workshop)

Hp LIFE- Data Science&Analytics

MindLuster- Python algorithms

MongoDB- Buliding AI Agents with MongoDB

Infosys Springboard-Artificial Intelligence for All

Infosys Springboard- Programming in C

AICTE SKILL INTERN – Python&Machine Learning

Activites

1.Community Service: Volunteer in National Service Scheme (NSS), involved in social awareness and service initiatives.

2.Social Impact: Member of CARE Club, contributing to campus-wide awareness programs.

3.Achievements: Won first place in swap and freeze conducted by ACM student Chapter. Also 1 st Runner up in Heat Code Conducted by Fodse
